February 2018 Newsletter

Dear Parents,
January was a great start to the new year. The students have settled back after the Holiday break and are learning and growing every day!

February will be a fun and exciting month. Our unit of study will be Cultural Awareness & Friendship, while studying the Continent of Asia. For preschool parents, please see your lead teacher if you would like to share you family's heritage and culture. This is great opportunity to teach and expose our students to cultural diversity and respect. We invite you to bring in instruments, a cloth-

ing item, or share a tradition related to your heritage!

Valentine's Day is right around the corner, and every year we celebrate friendships that your children have created with one another. If you'd like to hand out any Valentine's cards please ask your teachers how many children are enrolled in their class. We will be having a Valentine's Day Party on Feb. 14th, it will be a simple card exchange and cookie decorating. Please see your child's classroom door for signups.
