

Montessori School of San Clemente September 2018

Dear SC Montessori Parents.,

Welcome to the 2018-2019 school year! We are so excited that you have chosen the Montessori School of San Clemente. This September your children will be focusing on the theme "All About Me," and exploring the seven continents. We will discuss the many different types of cultures, plant, and animals that make up our world and celebrate our differences.

With the start of the new year please remember that classes start promptly at 8:30. We are a Montessori school and we want your child to be independent! Having them hold their lunchbox or bags and walk in on their own is a great way to start the year off right! We are looking forward to learning and growing with you!
